

WAWAK®

CHALK MARKER ASSEMBLY INSTRUCTIONS

ONE
Start by removing the tightening ring from the base.

TWO
Next, slide the ring onto the pole.

THREE
Now, place the pole into the opening at a slight angle.

FOUR
Next push the pole to the side slightly then push straight down until it's inserted fully.

FIVE
Once inserted, you can then screw the tightening ring back onto the base and hand tighten to hold the pole secure.

SIX
Next, time to fill the chalk reservoir. Start by removing the white cap from the reservoir.

SEVEN
Remove the cap from the chalk refill bottle and pour some chalk into the reservoir.

EIGHT
Replace the white cap and secure the reservoir onto the pole. You are now ready to mark hems!
